WIN Award

Women In Networking (WIN) wants to move forward in 2009 and face more challenges. WIN launches its new platform, Women In Politics (WIP).

In 2009, WIN will mainly strive to achieve another important goal. One of the key objectives of WIN is to spearhead the transformation of politics in Mauritius to lead to doubling the number of women in Parliament by 2010.

From September to October 2008, 20 Mauritian women followed the WIN Leadership Programme. This programme was financed by the UNDP and the Australian High Commission. The participants will be receiving awards at the Atrium Hotel School, IVTB, Ebene, on Wednesday, January 21 at 6.00 p.m.

It will be an opportunity for guests and participants to network with the WLP participants, mentors and module coordinators. The UN Resident in Mauritius, Claudio Caldarone, will be the guest of honour.

Soroptimists International (Core Founder of WIN) won an award for their participation in WIN and WLP. Certificates will be awarded during this Event to Soroptimists International Port Louis and Soroptimists International Rose Hill Presidents.
